

DESPERATE HOUSECATS

Maricopa County Animal Care and Control

This summer, MCACC will take in more than 50 cats each day in need of homes.

Give these Desperate Housecats a home. This June, the cat you take home is virtually free. Cats over 6 months are only \$34, the cost of a rabies vaccination. Kittens are \$50. Take home two felines, and the second one is half-off! All cats are spayed/neutered and given a 3-in-1 vaccination at no charge.

All adopters will receive an IAMS adoption kit and a bag of Cat Attract litter.

Microchipping and FeLV testing available — ask for details!
